### STEP 1

Outline your llama with a lead pencil. Start with the shape of the body and legs, then slowly add the details of the face and decorations.

### STEP 2

Colour in your llama as you would like! Use whichever colours you fancy to make him as funky as you want. Here is an example:

### STEP 3

Outline your llama in black to finish everything off. Don't forget to colour in his hooves!

The **primary colours** are red, blue, and yellow.  
The **secondary colours** are made by mixing the primary colors - they are orange, green, and purple.
