### WHAT DOES A SESSION INVOLVE?

We'll don't tell HR, but we laugh a lot, we paint and we sip (alcoholic OR non-alcoholic). Your team will be guided by an artist, so don't worry if Steve from Accounting doesn't know how to paint - by the end everyone will be having a (Van) Gogh.

# choose your concept of choice

BE IT COLLABORATIVE OR CUSTOM

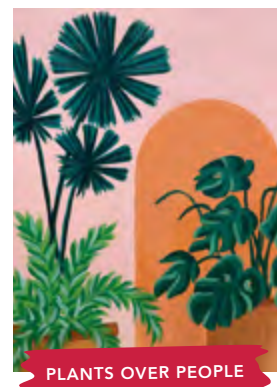

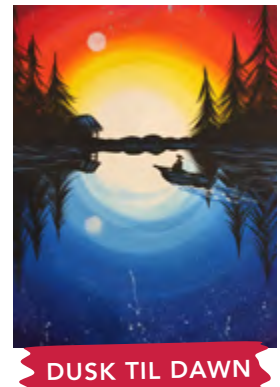

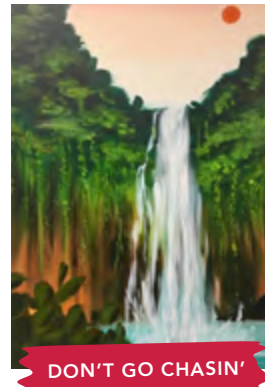

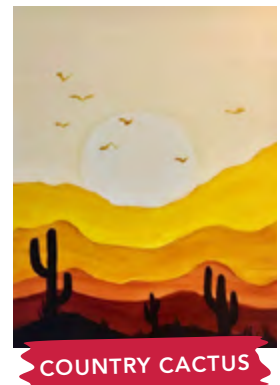

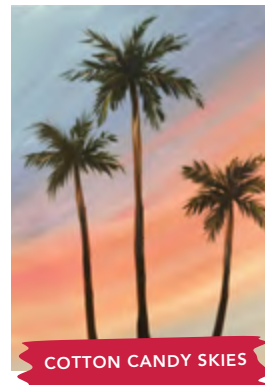

## COLLABORATIVE

Each canvas will play a part in creating the final masterpiece - teamwork, makes the dream work.

## POTS

Let the fun times live on, with your new office desk pot!

## EACH TO THEIR OWN

Pablo Picasso didn't share his paintbrushes, let each person create their own masterpiece with these favourites

# frequently asked questions

## **WHAT IS INCLUDED IN THE COST OF THE SESSION?**

The price per ticket includes the necessary equipment including;

- A 16' x 20' blank canvas OR terracotta pot
- Acrylic paints
- Brushes
- Table Easel
- Pinot & Picasso Apron
- Glassware for beverages (in-studio only)
- Artist Host to take you through the session step-by-step

## **CAN WE BRING OUR OWN FOOD, DRINKS, AND DECORATIONS?**

Yes, absolutely! If you wish to turn up stress free, our local grazing partner can create grazing boards with fresh, local produce awaiting your arrival. We also allow you to bring decorations for your event, however we do ask that you remove any decorations after your session. Also, no glitter - unless you're wearing it!

## **MY GROUP IS SMALL, CAN WE STILL JOIN?**

Don't worry if your work gang is small but mighty! If you can't meet a minimum for a studio private session you can join one of the Group Sessions with your team and we'll ensure you get a private table. Plus if you join one of our public sessions and purchase 8 or more tickets you'll receive 10% off your order! The CFO will love that!

## **HOW LONG IS THE SESSION?**

At the studio, we do recommend arriving 10-15 minutes before the session commences to give you plenty of time to get comfortable, set-up, and get the drinks flowing.

All of our team-building sessions run for 2 hours, onsite and offsite.

## **WHAT DO WE WEAR?**

Life is your catwalk, own it! We will provide you with designer P&P aprons to protect your clothes from paint, but it is best to wear something you don't mind getting a little bit of paint on - you know Jan can be a little clumsy after two drinks.

We also highly recommend wearing enclosed shoes.

## **WHAT IF WE HAVE SOMETHING ON AFTERWARDS? CAN WE LEAVE OUR PAINTINGS WITH YOU?**

Of course! Your painting will be kept in our art gallery for 7 days, after this the canvases are recycled.
